

My dearest Sister Eliza. I must
not write more than this paper
will hold. In the first place we
are all disappointed that you are
not coming here to visit with M. M. B
even George Henry said he was sorry
you were not coming -
Your birthday card to me was
pure gold and I enjoy the visits
with you and Mary Emma - We
just devoured your welcome
letter, so glad to hear from you
and such a most perfect of your
location in the Valley - I am so
happy you are there so comfortable
How perfectly lovely for both you
and Mary - I feel very lonesome
to have Dr. Hanna leave this Country
I did so thoroughly enjoy his classes
and admire him so much as a Christian
Gentleman. I can only rejoice that
dear Mrs. Telford is now free from pain

but I miss her from Oberlin
I wonder whether I will ever get
to see Oberlin again, nobody
knows. What a delightful party
we did have one October month.

I am glad Felina was married
in a nice month - You & I are not!
Carrie is now in Hat Spengler's
on Tuesday March 17th she & Mary & the
boys go to Ashville - What a lot of
little caucuses, are coming along now!
Do you think you & I will ever go to
New England together for a visit, I do
wonder for it so much. When will you go
to California and how long to remain?
I hope you ever go to Chestnut Place. I have
written to Willie several times and sent him
a cake but never have heard a word!
I am praying every day for you and
yours, and thanking God you are much
better. Do you remember Miss Harned who
used to be with us. Gertrude & she have gone
to Phil^a this Dec. She is here for few weeks at
Woolman School studying ^{Only much love}
Love yours
M. W. W.
