

2 making up before 10 P.M. or pass
Pula & Chester ^{chester} must be up
before midnight, but makes it
out of the question to see either
of you girls as in pass - so awful
sorry, as I may be gone a long
time -

Oh yes! About Aunt Susie -
she is due in home about noon
Friday - I'll try to write you when
she leaves, if I can - Joe
I think she does need to be met
but if you had been here at Oxford
you'd have been sure she could
manage as being - she was so
efficient - I hope to be back
here - Susie - visits once a day
or night - she can't do it - perhaps
you can have a nice little visit when
she is in the city - I think I must say so

will you share this
 with Amplitude - I
 want to ^{pause} pause a bit and give
 a dozen or two internal yells
 with a view to letting out a bit
 of pain - Gee! no little mule
 has done half I have lately - in
 fact if any mule had done
 as much he APSCC - no A.S.P.C
 to animals would have been the
^{perpetrator} perpetrator of such a ^{crime} crime -
 You indeed beautiful serio may
 ever go back to lynd, for that
 means she is better -
 Much love Conline
