My very dear Mary

Ellen and Eelina

You are constantly
in my thoughts, and words
can't express all the love and
the sympathy which is going to
you in a steady stream. I
know the anguish of your
hearts, and you have my
prayers as well as my love
my dear dear Cousins.
Affectionately,
Evangeline

Dear dear girls

I want you each
one to feel my presence as
much as if I were right
beside you, for I am with
you so truly in all the
trying hours of the day. I
do love you so much,
and only wish I could
lessen your great sorrow.

Devotedly,
Evangelina
