

THE - SEASON'S - GREETINGS

Dear Evalina, - I was so sorry to hear thro  
Mrs. Scranton here of your dear mother's  
death - I remember her so well, with  
all her sweet graciousness, & I know  
she was always the centre & soul of your  
family, & can realize how you will  
miss her. But it is wonderful to have  
had so wonderful a mother for so many  
years. - I am glad you have your Henry &  
the children to continue to fill your life  
with love & happiness. I see little  
of Sam & Louise, tho John is - Priscilla this  
year. He was w/ us for dinner one day last

week, & reports them all well. Parker is  
S. America, Louise Jr. is a prep. school in  
Bryn Mawr. Tim is still at home.

I love to you &  
all good wishes -

I wish you happiness  
& peace. ✨ ✨ at Christmas  
and every joy ✨ ✨  
in the New Year.
