Dear Erelina:

We were all so very sorry to hear of the last illness & passing of your dear mother -

We were sorry not to have known sooner - We would liked to have expressed our selves in some more useful way if it could have been possible - We all send our sympathy to you & your family. You have the thought with you of having been with her & I know that must help - Words are so small at a time like this but I trust you know how deeply we all feel - It was such a pleasure for us to have known her even so little.

We were glad of Mary & Henry's short  
visit - It did get a good to see them.

Henry told us of your kind invitation  
for Thanksgiving. We would love to come  
but not unless we could get a rate.

I phoned but they do not know yet -  
In view of the fact & after what you  
have been through I truly think you  
best just plan for your own to be with  
you.

Every thing is uncertain here - Ben may  
not even get back from N. Y.

We might plan to spend a Sunday  
with you all later.

Do hope Ben is better & that you are  
not going to have him with a chronic cold.

This is a beautiful day wish we  
would have more like it. Must get  
ready to go to the shop. Getta just  
called & would like me to come.

Do hope your sister Mary will be  
able to keep well & busy now.

Let us hear from you when you have  
time - Love to you all Frankie
