To Gertrude Lukens

My dear dear Gertrude,
You should have
heard from me again
after my finding out
that you staid on
in America -
You and all the
dear ones about
you have been
constant on my heart.
What a privilege that
you could be with
that precious one
and be a comfort
& help. I'm very glad
you've been there.
Evangeline has kept

A card from Margaret to Amy
today they are leaving today to
Barrow to N.Y. - I hope
to be there three days while they can
collect the things they needed
where to go for the things needed
there. - Ayah has gone today to
Hondoluck and expect to get
we will see them next week if
we have word in time -
We have word in time -
Blessings are yours all -
Stephen had been very ill indeed
for a week - throat & lungs -
Heck Hog has less temperance -
Tonight - Surge has been kept
in bed - the time with a few errors
in bed - Good night dearies -

as posted and of
course you must not
use a moment of
your time & strength
in writing to me
now dear heart.
I know - I can under-
stand - what you
and Mary, Ellen,
Evelina and all,
are going through -
I want very much to know
that I am with you each
and pray for daily & how-
ever strength needed -
Very lovingly yours
Your Dickie
