

Wed night

In train

Can Helen please telephone  
the First Congregational Church  
House + ask who ever takes the  
messages to send word to Mrs.  
Lusk that I cannot have  
delegates next week for that  
convention.

It would be good if Helen could  
send the laundry new way wet  
wash Euclid 18/7. The laundry in  
the big bag in the basket does not  
need to be counted. Scan it in the  
bag + add bit sheets + towels +  
plain things in the clothes sheet.  
I do not send the childrens clothes  
to laundry. Not necessary to iron  
towsels, sheets either. Please do not send  
silk nighties or wool kimono to laundry.
