Dear Gertrude: —

When I first heard of
you going to see Mary
and Aunt Ellie & going
with Uncle George Humphrey
I wanted to write my
greetings. So I asked Mother
to write them from Rockford
Sunday a week ago.

Since then Evangeline
has sent on letters and we
were so glad to hear from
you and about them
in Elmira.

Your letter this morning
fills our hearts for love
for you all. O, I do want
Aunt Ellie to know how
much I love her and how
tenderly I remember her
sweetness at the time
of mother's visit, and her
gals were all so dear
in their concern & messages.

I am so glad Aunt Ellie
has her dear ones with her
and it means much
to many to have them
beside her.

All my life has been
so full of the Salmons and
Humphreys families, that I
am so grateful for the
nearest touch with the
Beldens in these latter
years. Give Mary & Evelina
whom I know, my warmest
love. And I hope met with
and some day will know
the other Twin. We can
all be so grateful for this
great love that has bound

us together thru the
years.

I thank you for writing
me fortunate & I am
sending the letter right
along.

May you all be given
strength, & I know Aunt
Ellie herself is giving
you comfort and gladness.
Always lovingly

Ann
