

Rev W. H. Belden

Dear Bro.

We are so very  
glad you enjoyed your  
little trip to our City  
and are home. Hope you  
will try it soon again,  
for I am sure we enjoyed  
it more than you did.  
You certainly stirred  
up the elements, for we  
have had a freezing

time since you left.

Thanks for the little book just received. I shall enjoy absorbing it.

My husband has some thought of bestowing upon Clayton the light of his countenance for a few hours.

With kind remembrances from all to Mrs B. & yourself,  
believe me Yours

Sincerely  
A. R. Gray
