Dear Bro Belden

Your last
letter with the train
tables came duly to me

I thank you for your
kind invitation to come
to Bridgeton but will not
be able to do so this
time I will take an
early train on the Penn
and if nothing hinders be
at Vineland at 1.20 if
any thing should hinder
the next would bring me
there between 4 & 5 P.M.
I have ordered your

Cylinders sent to Vineland
on Monday so they will be
sure to be there

As soon as you arrive
I would see that the
screen was properly put
up. We can adjust the
stereopticon to it afterwards

I have 81-6 Colored
pictures. So do not
purchase any. Trust
you will have a large
and appreciating audience

Faithfully yours
