

Rev M A Bronson  
Camden N.J.  
Dear Bro!

I will go to places  
mentioned on 18<sup>th</sup> of Nov. 87, i. e.  
Green Creek, & Cold Spring.

Please tell me the R.R.  
Station nearest places, and  
also who will entertain me.  
I suppose I will go 1<sup>st</sup> to Green  
Creek. - Write me particulars.

We would like, to know  
here, as soon as possible, what  
arrangements will be made for  
our Church, as we are trying to  
get some Ladies to come here.  
to hold meetings with our Wmms  
Miss Poc; and do not want  
the arrangements to clash, but  
if possible, to hold these <sup>meetings</sup> on  
different days of the week

For a little Church (the  
wakes of the week ready) we  
are taking up handsomely well  
with the edra, and the  
meetings here are already  
considered a success.

With regards,

John E. Peters.  
Ways Landing.
