

2. God has appointed a day for judgment.  
Matt. xxv.

3. God has ordained a Judge.

The Judge has the law of  
righteousness, & is himself impeccable

But He is a Man, Who knows

all about

our nature

our power to resist sin

our sins

our repentance or hardness

4. God has assured us of this purpose  
plan of His, by the grand miracle of  
the Resurrection.

What else than an act of God,

for a divine purpose, could have brought forth  
from the grave the mortal body of Jesus!

Therefore

Observe God's infinite grace, and

Repent.
