Ms Belden

Dear Madam

My sister Mrs Wm E Dodge
of Madison Avenue 36th St
tells me that you were a
Miss Stanton and that
you are a missionary

I greatly like to see
those who have been thus
employed, specially as we
have a son J. Bondmut C
Atterbury, a Miss $\frac{1}{2}$ M
Pekin. China
We have been there to

make him a visit.

I should be much pleased if you will stop and see me some time when you are coming this way either at 10 A.M. or early in the evening with Mr. Belden.

Mr. & Mrs. Leonard of Western Turkey have lately been to see me.

My sister Mrs. Dodge wished me to say to you that she wanted to go and see you, but is not quite well.

I am sincerely yours
in your good work
