Mr E. M. Fithian

Dear Sir - I want you to do me and many more of the good people of Caudeu a favor. I remember your very kind and enthusiastic words spoken to me on Tuesday last about your new minister. We want you to ask him to give us an address in Caudeu on Friday Evng March 7<sup>th</sup> at a Union Bible Conference. given under the auspices of the Caudeu County Sabbath School Association. We want about a 30 minute address on a topic something like "The Bible and Personal Character" or something on that line. of course you will understand that we will pay

travelling Expenses (wish we could do more) and will take good care of him while here

Will you try to see him tomorrow and if you can get a yes from him. please wire me at the store. giving me his name. and the topic he selects. wire at my Expense of course.

Thanking you in advance for the trouble. which I feel certain you will take for me. and awaiting your reply

I am truly yours  
W. W. Patton
