

PASTOR'S STUDY,
First Presbyterian Church,
Passaic, N. J.

Oct. 22 1887

Dear Bro. Hinsdale

I enclose Bro. Baldwin's

letter on the request, with my views.

1. I fully approve the order for a new 1000 of N. S. M. No. 1.
2. I approve the publication of the report made at Synod; but somewhat hope that more than "225 or 250 copies" be made. I should say more than 500, and rather more.

3. I will not object to the circulation of the card. It may affect minds advantageously. To my mind

it is not effective. To my judgment it does not show the hopeful side of our situation. It appalls, when the facts, as I see them are encouraging.

4 - I cordially approve the preparation of blank forms for reports of the analysis.

Yours truly

P. F. Leaven.

Dear Brother Belden - I agree with Brother Leaven in the main. I am disposed to think somewhat more favorably than he of the chart. Truly yours
Horace G. Hinsdale
