

Rev. W. H. Belden,  
Bridgeton, N. J.

My Dear Bro. On the first reading of your papers, I did not take in the idea that I was to notify you if I did not want an exchange of papers with Mr. Park of Millville, I think I shall have articles ready for the Sussex Co. papers on Tuesday without fail, and will not need to exchange and have so notified Mr. Park -

Yours fraternally,  
Geo. H. Gurney
