

Boonton N. J. Oct 29. 1887

Dear Bro. Belden

The superintendent of our Sunday School has asked me to get for him a hundred copies of the tract with the two portraits of a heathen & a Christian which your committee offers to send. Will you kindly send them addressed to me.

Do you know of any very small collection of hymns printed on a sheet of paper & of a missionary character that would be suitable for the children to use at the S. S.?

Cordially Yours
Thomas Custer
