Dear Sir

Yours of the 15th reached us this morning and we hasten to reply. The list of Subscribers to "The Church" will be ready and forwarded just as early next week as possible, probably by Wednesday. We will then have the list of Superintendents made, and mailed to you.

We could not put either your letter or Circular into The Church. The Postal Law will not allow it to be done. Second class matter is sent at 1¢ per lb, while yours would cost 1¢ for each 2 oz.

Yours truly
Jno. A. Black
