

Williamstown Manse, Oct 10th, 1887.

Dear Mr Belden:

I have delayed writing to you about the N. S.M. until I could lay the matter before our session at its regular meeting last Saturday. The elders approved of the enterprisemost heartily and we will do our best to observe the time properly in our church.

If I ~~could~~^{could} be of any service to the committee I ~~should~~^{anywhere} be glad to speak during the week, but owing to the situation of my family I can not be away from home over night . So that if I speak away from home it must be at some of the few points from which I can return home after the evening meeting.

Does the committee expect to group the churches and arrange for successive meetings in neighboring churches according to Mr. Brace's suggestion? Or shall we consult our neighbor's and choose our day for ourselves?

Hoping that great good may come from the hard work you have put upon yourself,

Yours sincerely,

H. L. Janeway
