

Oberlin, Ohio, March 26, 1907

Miss Ellen S. Belden graduates the present year from Oberlin College with the degree of Bachelor of Arts. The College records show that Miss Belden's scholarship has been very good in all the lines of her study. She has been conscientious and faithful in all her College duties, and I am sure has won the respect and esteem of both her teachers and fellow students as well. Her electives have been most largely in the line of English, but she has also done quite a little work in history, and is taking this year with me a five hour course in philosophy.

Miss Belden is a young woman of high Christian character, and is certain to give herself with fidelity to the work which she undertakes. I should expect her to succeed well in the work of teaching.
