Dear Bro.

We are going to hold a
Conference of the Presbyterian Foreign Missionary
Committees of the Synod of Ill. in Bloomington
Ill on Tuesday Nov 13th 1889.

We will probably discuss and try to arrange
for Simultaneous Meetings in the interest
of Foreign Missions in this Synod. I am
appointed to introduce the Subject. I
have some account of the meetings you
held in your Synod, but would like more
explicit information. Will you kindly
send me any printed matter you
may have that would give me an
idea of the way in which you organized
and pushed those meetings, or referring
me to some periodical in which such
account might be found. If you have

time to give me any of the inside
history and methods, so important
in setting others to work and to success
in any such effort I would be
glad and grateful to get it.
