Mr W. A. Belden

Bridgeton, N. J.

My dear sir: —

Your communication of the 29th. ult. has been received and although I do not see that I can be of any material assistance, I hasten to express my sympathy with you in your work and assure you of my coöperation with you in as much as lies in my power. I have been here but little over a year and my experience is, as yet, very limited, indeed.

but my associate teacher Miss M. Knight, who has had more experience in the Mexican field than I, will doubtless be able to give you some items.

As to your first request, you have my most earnest prayers for your success. I do pray earnestly that the Holy Spirit may come mightily upon - not only you in New Jersey, but upon us all who are or ought to be interested in this the Lord's work in this world of us. We will unite with you in prayer during that week. May these efforts all be put forth "In His Name" and under His Divine guidance and be abundantly blessed to the good of His cause.

Most Sincerely

Fannie G. Ward.
