Clifton Springs,  
New York, &c.

Address:

James D. Eaton  
Chihuahua,  
Mexico.

American Board of Commissioners for Foreign Missions

MEXICO MISSION

TREASURER'S OFFICE

Via El Paso, Texas.

CHIHUAHUA, Dec. 3, 1893,

Mr. W. A. Belden,

Clifton Springs, N.Y.

Dear Sir: -

As it is possible that the Golden Wedding anniversary of my parents occurring the 20th of May next, and the marriage of a brother-in-law in Montclair, N.J. in June, may take me to the States the coming year, I am very desirous of attending if possible, (for the first time in my life), a meeting of the International Missionary Union. Will you therefore kindly inform me if the next meeting is likely to be held at nearly the same time in June as it was this year? I may be able to get the date of the wedding postponed or anticipated a little, if necessary, by having the facts before me in time.

My wife and I had the privilege of founding the Northern Mexico Mission (for some years past united with the Western Mission, which first gave up two of its missionary families to us on this field which is more open to the Gospel than is the central part of the Republic), in the year 1882, after ten years of pastoral work in the U.S., first with the First Cong'l Church, Portland, Or., and then with the suburban church of Grand Brook, N.J. You may know of one of my brothers, W. D. Eaton, Pres't of Beloit College. My wife, one of the charter members of Dr. A. A. Bradford's church in Montclair, was niece to the late A. S. Barnes the publisher.

I hope that some Christian workers from the U.S. may arrange to be with us the last week in January, at our General Assembly of Evangelical Workers, in Mexico City.

Yours very truly,

James D. Eaton.
