

My Dear Mr. Belden:-

Your letter of the 22nd., regarding the meeting of Session was received yesterday. I understand that you wish me to send the notices to the other two churches, and I accordingly enclose one for each church. As I do not know who the proper parties (Clerks of Sessions) are, to whom they should be sent, can I get you or Mr. Hewitt to hand them to any member of the Sessions of the respective churches? I am heartily in favor of the movement and hope, for the sake of all concerned, that it may be brought about.

I am getting along nicely in my new position. The office is in an excellent location, as far as light and air are concerned. It is on the southwest corner of Rector Street and Broadway, and my window is in the shadow, almost, of Trinity church spire.

I shall be glad to hear of the doings of the church, and hope you will keep me posted.

Please remember me kindly to Mrs. Belden and believe me

Sincerely yours,

Two enclosures.

Rev. W.H.Belden.
