

Presbyterian  
Church

July 15 1890.

My dear Mr. Belding, I ran up  
to the Conference at Clefton Spring  
but missed you, as you had  
just left for New Jersey.

I enclose circular in which  
you will be interested. I  
wish you were still of  
Bridgeton. Trust however  
you will send me some  
books.

With regards and hoping  
your new field will prove  
a pleasant one.

Yours sincerely  
Theobald W.eyer

Dr. Wood is somewhat better  
but feeble.
