Rev. W. H. Baldwin:

Bristol, Conn.

Dear Brother:

I received your circular sent out by Mrs. Baldwin a short time since, & have written Dr. Greeny of Mrs. Hartwell's my intention to go to Clifton Springs and attend the Conference on June 10-17. I have also suggested that Temperance Work in Foreign Missions be one subject for discussion in case the Program is not already full. This is a subject in which I am deeply interested & on which I have already written. I enclose with my Compts. the last article I have published thinking it may interest you even if

there should be no discussion
at the Conference. Hoping that
you are quite recovered from
your illness, I am

Very truly yours
C. Hartwell.

I plan to leave here on the 14th for
Boston & elsewhere, & for a few days
after that date a letter would
reach me sent to care of
Mr. Charles E. Swett.

1 Somerset St.

Boston, Mass.

We plan to go out to Minnesota
after the Conference in June &
remain there till we leave for
China about the beginning of
September. Again

Very truly yours
C. Hartwell.
