Dear Mrs Belden.

We received your letter and have reserved three rooms for you, which will be ready for you by the Saturday before the 15th of May. Two of the rooms are the ones Mrs Foster looked at for you when you first thought of coming. They are ~~very~~ rather small take about 18 yds of carpet each. But are very pleasant overlooking the park and Sanitarium. Two of them are on the lower floor with doors between. The other is above with a private stair case opening from the lower

rooms.

You can do as you please about bringing your furniture. There are dressing cases in each room, with three drawers. Besides commodes I have a child's crib but I loaned it and it is in such condition I think it would be better for you to bring yours.

Hastily Yours,
Mrs. Warfield.
