you can see that this is no second rate course of lectures. You may expect a crowded house. The people are delighted with the selection we have made. We want to ~~do~~ clear at least \$100<sup>00</sup> for the benefit of our S. S. library. Hope your children are better of the measles by this time. We will print circulars in a day or two. Have you any suggestions to make? Yours as ever, D. H. King.
