Mrs. William H. Bredau,
274 West College Street,
Cleveland,
Ohio.

Our Dear Lady.

"A benign breathing houghtful breath,
A traveller between life and death;
The reason firm, the temperate will,
Endurance, foresight, strength, and skill,
A perfect woman, nobly planned,
To warn, to comfort, and command,
And yet a spirit-stirring, and bright,
With some thing of angelic light."

I think God we have her.
