Truman Goble,
Bridgeton N. J.

March 12, 1891.

My dear Mrs. Belden,

Last night at
our meeting of King's Daughters
we all thought how
much we should like
to express our sympathy
to you at this time.

Mrs. Belden greatly
endeared himself to our
society by his kindly
encouragement and we
enjoyed his visits to our

circle very much.
You have the sincere
wishes of all our members
for the speedy recovery
of Mr. Beldens health.

Very Sincerely,
Jennie Brown,

Secy. of W. T. Soc.
