Rev. Wm P. Clarke,

Dear Brother, - I write to know if there are any Bulgarian costumes, for men or women, in Berlin, which could be loaned to "The World in Boston" for the use of the Bulgarian Chorus? Dr. Constantine Popoff told me yesterday that some one in Berlin, a former teacher in Bulgaria, had with her a young woman from Kaerobo, who gave representations in Bulgarian costume. And possibly some of the young Bulgarians in Berlin College may have usable (and lendable) articles of dress. I have about 40 people, men & women, to rig up as pseudo-Bulgarians. I will be responsible for goods sent, & will take care of express charges both ways -

I am very sorry to hear such discouraging news regarding Mrs.

Clarke's eyesight. Please give  
her our deep sympathy -  
We are sure she will succeed  
in doing a world of useful things  
even without perfect vision -  
Fortunately the beautiful life does  
not depend on any material  
organ.

With sincere regards, I am

Yours very truly

Wm W. Sleepin
