Rev W. H. Belden,

Dear bro;

I thank you sincerely for
the papers which you kindly
sent me, giving information
touching the matter of "Sim-
ultaneous meetings".

The subject is on the
programme of themes
for the meeting of the
Genl. Assⁿ of Congregational
Chhs. of this State to be
held next week, & we wanted
precisely the information
which these documents
give. The two hundred
Chhs. of our order on this
coast mean to grow up
mission supporting churches.

We are close neighbors
to ancient paganism,
& we mean to train our-
selves to act the part
of the good Samaritan,

Thanking you
again for your kindness,
I am yours very truly,
S. H. Willey.
