

April 12, 1889.

Dear Mr. Belden: -

Rev. Walter Laidlaw, West Troy, N. Y.,  
will report to Pres. of Albany on N. S. M.  
next week. I have sent him 8 p. of Mss.,  
leaflets of '87, Synod report of '88, &c. I have  
sent (Nov. 27, 1888) one copy of your  
pamphlet to some one in that Presb.,  
but please send another forthwith to  
Laidlaw. Give him a word of  
push on a card.

I have your letter of the 8th, on the  
new letter-head. This is good. I will  
follow your hint with ref. to "Synod  
of N. J." in future notices.

For the permanent and general  
N. S. M. literature, it may be well to  
have one printer. This matter rests  
with the Com. and the authors. Per-  
haps the Phila. House will be as

convenient as any. The transient and local literature, (notices for Presbytery, etc,) can be put to press more easily at home, perhaps.

A postal-card notices box gone to every pastor or church in N. Jersey Pres. except

Drainerd (no p.o. in Minn.)

Bunker Hill ( " )

Leeds Pt.

Perhaps you can reach them through your St. Clerk, or at Pres.

D.M. & O., the Chairman and Sec. gave the Presb. some information and exhortation on Tuesday. There was not a drop of cold water from any quarter. The questions asked indicated interest. Urge your Sessions to send some of Elder for N. F. M. to the Sec. of the Presb. Con. on a card at once. Tell them the name of Sec.  
Cordially, W. S. Whitaker.
