My dear friends; -

Mrs. Boetrick writes me that the D. M. U. assembles to-morrow evening at Clifton Springs; so it is clear that I must not stop at Oberlin en route, much as I long to see you.

I do hope you may be in C. S. at the Union! I have not been there since I spent that week at your home. As if Mother is away, I shall beg for a note from her Evelyn, to be sent me there. - Lovingly always, Ellen M. Stone
