Dear Will

On Thursday last in  
reply to letter of yours I mailed  
you check for \$75.41 and also  
check on Seamens Bk for you  
to sign & return.

As I have not heard from you  
I feared either that my letter  
to you or your reply had gone  
astray & so I write to find out  
in order that I may stop payment  
of checks if necessary.

When do you leave Bridgeton?  
I did not quite understand from  
your last letter whether you  
expected to say good bye last  
week or not so I send this there  
rather than Bristol. Yours truly  
W. M. Quinn

Please remember me to Ellen and  
tell her that I wonder how she ever  
manages to get along with all the pecking  
&c and you able to do so little but  
that I hope that she will find Bristol  
so pleasant as to forget all about  
the trouble of getting there.

By the way do you wish me to do  
anything about changing your  
insurance.

Well
