Rev. W. H. Belden,
Bristol,
Conn.

My dear Cousin -

I have made
my plans to leave
here on Friday after
noon of this week.

If agreeable to you
and Ellen, will come
to Bristol on the
stage that leaves
here about three.

I do not know
what time I ought
to reach Bristol, but
a little after four
I presume, as I
understand the
journey takes about
an hour. If the day
should prove very
stormy, I shall not
come, & will go home
on Saturday morning.
Must do what should I

be able to come to Bustil, as
Lucy writes she needs me.
Willie does not get real well.
The rest are as usual.

With love to all.

Very Sincerely yours.
Abbie F. Magie.
