

Which one sort you prefer & have  
the little fellow near - I cannot  
mingle him in houses although  
Kinnin Wood has come thru for over a  
year - so if you will kindly let  
me know I will write to her as  
soon as I hear from you.

As tell Mr. Alden that I am going  
to preach in his pulpit next  
Sunday evening & ask him what  
he thinks St. Paul would say -  
The miles could not go to Worcester &  
write that I shall give a report  
of the meetings as this Sunday is to  
be the general collection - So imagine  
me with fervidous petitions clanking  
in an old Puritan pulpit!

We are expecting the boat here on the  
20th - We were so glad to hear from  
you through the letter - but Mrs. Peter  
has been sick with a cold ever since  
she got home so I have not seen her

They all said "tell her not  
to use her strength in  
that way - for all we  
want to know is if the  
things are right -"

But I shall have to ask  
you to write me just  
a word that I may  
know how to answer  
Mrs Ross who writes to  
know whether I should  
write to her parents this  
winter - She says she  
has both - kilt & brass  
coat & a hat - & will  
gladly send you
