My dear Mrs. Belden,

It is perfectly lovely of you to have me at your home during the holidays. I cannot tell you how much I appreciate your invitation. It will give me the greatest pleasure to accept it for the second week of the vacation. I should like very much to come with Ellen as you suggest and as she urges, but I must

it best to stay here a few days
after school closes.

I thank you for your offer
to engage a dressmaker. I think
I shall not trouble about
clothes just at present. I may,
however, do a little sewing
if the rest of you are sewing
while I am with you.

I shall be so glad to know
Ellie's Mother.

Again thanking you
I am most sincerely yours
Glendale, Ohio Frances M. Bowman
